10. PREPARATION INSTRUCTIONS (Continued)

10.2.1 The contractor, utilizing creative and innovative approaches, may select from a wide variety of forms those most appropriate to support major programs, (e.g., cooperative education, college/university, affirmative action, prior military personnel), responsive to the priorities and staffing requirements stipulated in the contract. All media programs shall be coordinated as to reflect a unified approach, regardless of media used, without lessening the value and effectiveness of each media program.

10.3 Content. All Personnel Recruitment Advertisements shall consist of the following as appropriate for the media selected:

10.3.1 Preliminary Print or Broadcast Media Advertisements

10.3.1.1 Working Outline. The Working Outline will include: The advertisement title; the advertisement program objectives; a summary of the advertisement program content; the length of printed advertisements (lines) or broadcast advertisements in hours, minutes, seconds, with a breakdown of times keyed to each topic; a list of visual aids; the methods of distribution to research the target audiences; and, other information as appropriate.

10.3.1.2 Detailed Manuscript. The approved Government working outline shall be the basis for the preparation of a preliminary detailed manuscript for print or broadcast media advertisements and shall contain all the information necessary to support the media advertisements and shall contain all the information necessary to support the media selected, e.g., printed advertisements or proposed radio/video scripting, programs, properties, shows, talents, sound effects, cueing, music, etc.

10.3.2 Final Print or Broadcast Media Advertisements.

10.3.2.1 The final personnel recruitment print advertisement shall be identical to the preliminary draft approved by the Government, including all the recommended Government changes incorporated herein.

10.3.2.2 The final personnel recruitment broadcast advertisement recording script shall be identical to the preliminary draft approved by the Government, including all the recommended Government changes incorporated therein.
