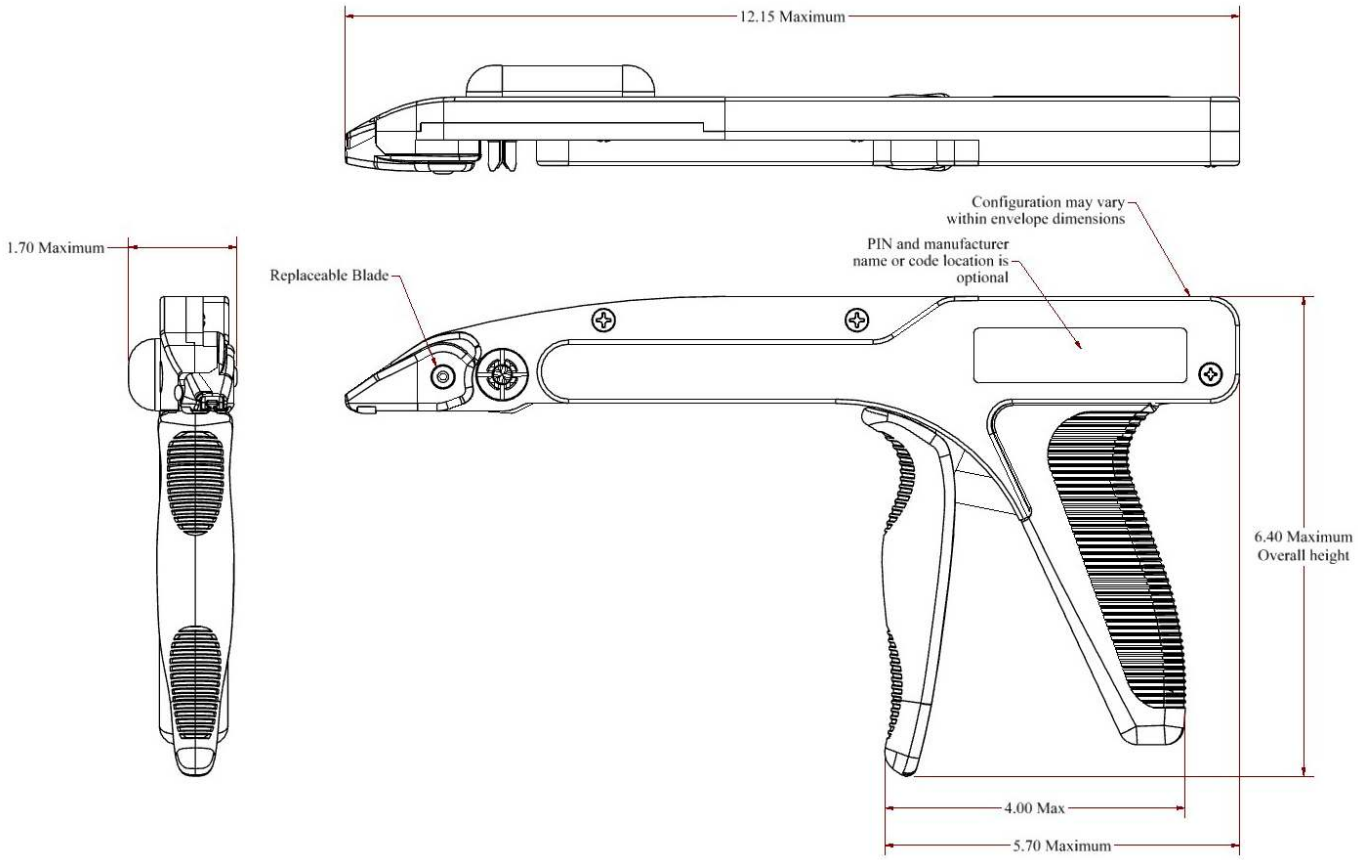

FIGURE 3. Extended tool dimensions and configuration.

REQUIREMENTS:

1. The outline configuration is optional within the maximum dimensions shown for a fully open handle position. See figures 1, 2 and 3.
2. The tie-down strap tool assembly shall include a replaceable blade.
3. Tool marking: Tool identification (see figure 1) shall be located on the main body of the tool and have contrasting text and background colors to ensure legibility of information. Laser and stamped markings are acceptable. The minimum stamped marking height is 0.093. The tool identification shall include: the M32555/1-01 or M32555/1-03 part number and the manufacturer's CAGE code, and identification or symbol.
4. Weight: The tool and any attached accessories shall not exceed 1.0 pound.
5. Blade marking: Blade identification M32555/1-02 shall be permanently marked on the blade.
6. Part or Identifying Number (PIN) example:
