FOREWORD

1. This handbook is approved for use by the Defense Logistics Agency (DLA) Aviation and is available for use by all Departments and Agencies of the Department of Defense (DoD)

2. This issue contains the names, addresses, and the symbols of all fastener manufacturers whose identifying symbols were received on or before 21 September 2022.

3. This handbook was prepared by and is regularly updated through the cooperative efforts of Government and industry.

4. Copies of these documents are available online at https://assist.dla.mil/.

5. At the back of this handbook is a registration form. Manufacturers wishing to be listed must complete this form and return it to DLA Aviation. Submit the completed form, along with your fastener identification symbol artwork used on the fastener. All submittals must be in the English language.

6. All requests to be listed in the handbook should be addressed to:

   Defense Supply Center Richmond (DSCR)
   ATTN: DLA Aviation VEB Logo Registration
   6090 Strathmore Road
   Richmond, VA 23237
   or e-mail to aviationlogo@dla.mil.

7. Please see https://www.dla.mi/What-DLA-Offers/Consumable-Hardware/logoreg/ for more information regarding headmarking registration.

8. DLA Aviation does not “approve”, “rate”, or “endorse” any item, construction, proprietary device, or activity.

9. DLA Aviation is not responsible for the accuracy or completeness of the information contained in this publication.

10. DLA Aviation does not take any position with respect to the validity of any patent rights asserted in connection with any items mentioned in this document, and does not undertake to insure anyone utilizing a code, standard, or guide against liability for infringement of any applicable Letters Patent, nor assume any such liability. Users of code, standard, or guide are expressly advised that determination of the validity of any such patent rights, and the risk of infringement of such rights, is entirely their own responsibility.

11. DLA Aviation reserves the right to monitor this document to ensure that it contains the listing of only bona-fide fastener manufacturers.

12. DLA Aviation has solicited the assistance of the Defense Contract Management Agency (DCMA) and the Defense Management Command International (DCMCI) in an effort to identify non-manufacturers and remove them from the manufacturers’ listing. DCMA’s/DCMCI’s evaluation of a company’s status is based on an in house capability to manufacture fasteners (screws, bolts, studs and nuts), with respect to space, equipment, and trained personnel. On an on-going basis, any company identified by DCMA/DCMCI as a non-manufacturer will be removed from the manufacturers’ database and this handbook.

13. Comments, suggestions, or questions on this document should be addressed to Defense Supply Center Richmond (DSCR), ATTN: DLA Aviation VEB, 6090 Strathmore Road, Richmond VA 23237 or e-mail to aviationlogo@dla.mil. Since contact information can change, you may want to verify the currency of this address information using the ASSIST Online database at https://assist.dla.mil.
