COMMERCIAL ITEM DESCRIPTION

FUSEHOLDER, EXTRACTOR POST

The General Services Administration has authorized the use of this commercial item description (CID).

Abstract. This CID covers the general requirements for an extractor post fuseholder. Fuseholders covered by this CID are intended for commercial/industrial applications and shall not be used in military systems needing stringent environmental and electrical requirements.

Part or Identifying Number (PIN). The PIN for the CID shall be as shown in the following example:

Salient characteristics.

Design and construction. Fuseholders supplied to this CID shall be as specified herein (see figure 1).

Ampere rating. The ampere rating shall be as specified in table I.

Voltage rating. The voltage rating shall be 32 V dc.

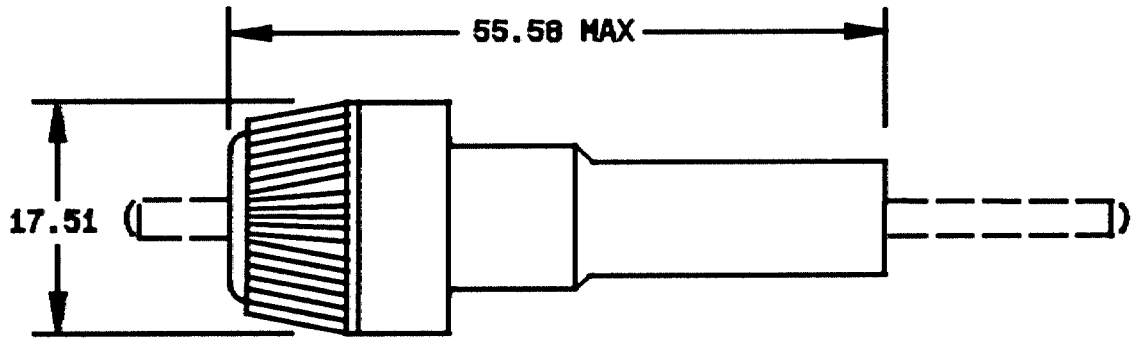

Marking. Fuseholders supplied to this CID shall be marked with the manufacturer's standard commercial PIN.

Fuseholder configuration. A-A-55475-001 through A-A-55475-006 are assembled and include lead wire contacts, a wire loop and a fuse. A-A-55475-007 through A-A-55475-018 are unassembled and include lead wire contacts only. (No fuse or lead wire included). A-A-55475-019 is assembled and includes lead wire contacts, a wire loop and three springs to accommodate all fuses indicated in table I.

Regulatory requirements. This section is not applicable to this CID.

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

mm	Inches
17.52	0.69
55.58	2.18

NOTES:
1. Dimensions are in millimeters.
2. Tolerance is ±0.13 mm (0.005 inch).
3. This item was designed using inch-pound units of measurement. In case of problems involving conflicts between the metric and inch-pound units, the inch-pound units shall rule.

Quality assurance provisions.

Responsibility for inspection. The contractor is responsible for the performance of all inspection, examination, and test requirements specified in the contract or purchase order. The contractor may use his own or any other facilities suitable for inspection requirements specified in the contract or purchase order, unless otherwise disapproved by the acquiring activity. The acquiring activity reserves the right to perform any of the inspections set forth in the contract or purchase order where such inspections, examinations, and tests are deemed necessary to assure supplies and services conform to prescribed requirements.

Contractor certification statement. The contractor shall certify and maintain objective quality evidence that the product offered meets the requirements of this CID, and that the product conforms to the producer's own drawings, specifications, standards, quality assurances practices, and is the same as the product provided as a bid sample. The acquiring activity reserves the right to require proof of such conformance prior to the first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Check the source to verify that this is the current version before use.

Certificate of compliance. A certificate of compliance shall accompany all fuseholder extractor posts supplied to this CID. The letter of certification shall state that the fuseholder extractor post meets all the requirements of this CID.

Packaging.

Preservation, packaging, packing, labeling, and marking. Preservation, packaging, packing, labeling, and marking shall be as specified in the contract or purchase order.

Notes. This section contains relevant information which is useful to buyers, users, and suppliers in the process of acquiring the item, but is not mandatory.

Ordering data. The contract or purchase order shall specify the following:

a. CID document number and revision and CID PIN.

b. Quality assurance provisions.

c. Packaging requirements.

Comments. Comments on this CID should be directed to Defense Electronics Supply Center, 1507 Wilmington Pike, ATTN: DESC-EMM, Dayton, OH 45444-5270, or telephone (513) 296-6184, or fax (513) 296-8868.

Suggested sources of supply. Suggested sources of supply are listed herein. Additional sources will be added as they become available.
