After 6.5, add the following new paragraph:

"6.6 International standardization agreements. Certain provisions of this specification are the subject of international standardization agreement as set forth in QSTAG 314 with Amendment 1. When amendment, revision, or cancellation of this specification is proposed which will affect or violate the international agreement concerned, the Preparing Activity will take appropriate reconciliation action through international standardization channels, including departmental standardization offices, if required."

The margin of this amendment is marked with an asterisk to indicate where changes (additions, modifications, corrections, deletions) from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment.
