COMMERCIAL ITEM DESCRIPTION

TRIAMTERENE AND HYDROCHLOROTHIAZIDE CAPSULES

The General Services Administration has authorized the use of this commercial item description in preference to MIL-T-37229 dated 20 October 1975.

The Commercial Item Description covers Triamterene and Hydrochlorothiazide Capsules for use as a diuretic.

Salient characteristics:

Shall be Triamterene and Hydrochlorothiazide Capsules.

Shall contain 25 mg of Hydrochlorothiazide and 50 mg of Triamterene per capsule within the applicable assay limits.

Shall assay to contain not less than 95.0 percent and not more than 105.0 percent of the required amount of Triamterene and Hydrochlorothiazide.

Not less than 32 months of the expiration dating period shall remain at time of delivery to the Government.

Workmanship. Capsules shall be free from defects which detract from their appearance or impair their serviceability.

Unit.

For Size 1 - Package (PG). Shall be supplied 100 capsules individually sealed in commercially available blister or strip packaging. One package containing 100 individually sealed capsules, as specified, constitutes one unit.

For Size 2 - Bottle (BT). One bottle containing 100 capsules, as specified, constitutes one unit.

For Size 3 - Bottle (BT). One bottle containing 1000 capsules, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U. S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance

FSC 6505

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.
