COMMERCIAL ITEM DESCRIPTION

CIMETIDINE HYDROCHLORIDE INJECTION

The General Services Administration has authorized the use of this commercial item description.

The Commercial Item Description covers Cimetidine Hydrochloride Injection for use as a gastrointestinal drug.

Salient characteristics:

Shall be Cimetidine Hydrochloride Injection. Shall contain a quantity of Cimetidine Hydrochloride equivalent to 300 mg of Cimetidine in each 2 ml of solution (150 mg per ml) within the applicable assay limits for the solution (injection).

Not less than 32 months of the expiration dating period shall remain at time of delivery to the Government.

Workmanship. Product shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Package (PG).

For size 1, shall be supplied in a vial containing 2 ml. One package containing 10 vials, as specified, constitutes one unit.

For size 2, shall be supplied in a vial containing 8 ml. One package containing 10 vials, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U. S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580 to the maximum extent practical.

FSC 6505

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.
