COMMERCIAL ITEM DESCRIPTION

BOOT, EXERCISER, PHYSICAL THERAPY

The General Services Administration has authorized the use of this commercial item description.

This commercial item description covers an adult size quadriceps exercise boot suitable for use in military medical facilities.

Salient characteristics:

Shall be an adult size quadriceps boot suitable for use in physical therapy activities at military medical facilities.

Shall be constructed of aluminum, approximately 10-3/8 inches long by 3 inches wide, with a contoured heel stop approximately 1-1/2 inches high.

Shall be furnished with heel and toe straps, approximately 26 inches and 20 inches long respectively, with buckles for attachment to foot.

Each boot shall have an insertable bar, approximately 1 inch in diameter and 18 inches long, and two (2) self-locking collars to hold weights.

Workmanship. The exerciser boot shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Each (EA). Each boot, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U. S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580 to the maximum extent practical.
