COMMERCIAL ITEM DESCRIPTION

URINE SUGAR TEST TABLETS

The General Services Administration has authorized the use of this commercial item description in preference to MIL-U-37647.

The Commercial Item Description covers Urine Sugar Test Tablets, suitable for use in detection of urinary reducing substances.

Salient characteristics:

Shall be Urine Sugar Test Tablets.

Tablets shall be composed of Copper Sulfate, Sodium Hydroxide, Citric Acid and Sodium Carbonate.

Shall be suitable for the detection of urinary reducing substances, using a modified Benedict's Procedure (copper reduction).

Shall be labeled for "IN VITRO DIAGNOSTIC USE."

Not less than 33 months of the expiration dating period shall remain at time of delivery to the Government.

Workmanship. Tablets shall be free from defects which detract from their appearance or impair their serviceability.

Unit. Bottle (BT). One bottle containing 100 tablets, together with a detailed instruction sheet/color chart, as specified, constitutes one unit. The bottle shall be designed to protect tablets from the light.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U. S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

FSC 6550
