FSC block: Change FSC block to read " FSC 9330 ."

Page 4

3.2.3.2: Delete second sentence and add the following: "The size of sorbent pillows provided shall be such that the ultimate weight of an oil saturated pillow does not exceed 15 pounds."

Page 16

4.4.2: Delete and replace with the following:

" 4.4.2 Dimensions.

4.4.2.1 Thickness of type II sorbent. The thickness of type II sorbent shall be determined in accordance with section 9(a) of ASTM D1596. Nonconformance to 3.2.2 shall constitute failure of this test.

4.4.2.2 Size of type III, style 2 sorbent. Conformance to 3.2.3.2 shall be determined by weighing a typical pillow and multiplying this weight by the "oil sorption ratio" determined in 4.4.4. A result exceeding 15 pounds shall be cause for rejection."
