Check the source to verify that this is the current version before use.

NOTES:
1. The term (REF) refers to the measurements taken from the Government furnished hub or die.

2. The manufacturer may deviate from MIL-DTL-11484 by using nickel underplating prior to plating with 24K gold.

3. This item is not authorized for commercial sale, and may be produced only under Government contract and at the request of the National Aeronautics and Space Administration.

CHANGES FROM PREVIOUS ISSUE: Marginal notations are not used in this revision to identify changes with respect to the previous issue due to the extent of the changes.
