After paragraph 3.7, add the following new paragraphs:

"3.8 Certification. The contractor shall certify that the minimum content standard shall be no less than 50% recovered materials including 20% post consumer materials in accordance with Executive Order 12873, section 504 (b), dated October 20, 1993 (See definition of post consumer materials and recovered materials in sections 203 and 205). As an alternative to meeting the standards of section 504(b) for all printing and writing papers, the minimum content standard shall be no less than 50% recovered materials that are a waste material byproduct of a finished product other than a paper or textile product which would otherwise be disposed of in a landfill, as determined by the State in which the facility is located, in accordance with Executive Order 12873, section 504 (c), dated October 20, 1993. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Beneficial comments, recommendations, additions, deletions, clarifications, etc. and any data which may improve this document should be sent to General Services Administration, Federal Supply Service, Engineering Branch, 26 Federal Plaza, New York, N.Y. 10278.
