PAGE 11

5.1.1, Delete in its entirety and substitute the following:

"5.1.1 Packing and marking level B. The fuze lot shall be packed in accordance with Drawing No. 11075815 and marked in accordance with 11075816.".

PAGE 12

* 6., Add the following paragraph:

"6.5 International agreement. Certain provisions of this specification are the subject of Quadripartite Standardization Agreement 626. When amendment, revision or cancellation of the specification is proposed which will affect or violate the international agreement concerned, the preparing activity will take appropriate reconciliatory action through international standardization channels including departmental standardization offices, if required.".

The margins of this amendment are marked with an asterisk or vertical lines to indicate where changes (additions, modifications, corrections, deletions) from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire contract irrespective of the marginal notations and relationship to the last previous amendment.
