NATIONAL MILITARY ESTABLISHMENT SPECIFICATION

SHELLAC SOLUTIONS (FOR USE IN AMMUNITION)

This amendment forms a part of National Military Specification JAN–S–732, dated 9 February 1949, and was approved by the Departments of the Army, the Navy, and the Air Force for use of procurement services of the respective Departments.

Page 2, paragraph 3.1: Delete "Aniline dye—A commercial grade of purple dye in powdered form" and substitute "Aniline dye—The dye shall be methyl violet dye consisting of a mixture of hydrochlorides of highly methylated pararosanilines, containing principally the tetra-, penta-, and hexamethyl derivatives; Color Index No. 680, (see 6.8) in powdered form and containing not more than 10 percent of a nonionizing diluent."

Page 2, paragraph 4.3: Add the following: "The materials shall be inspected to determine compliance with the requirements of this specification for which tests have not been specified in 4.4."

Page 8, section 6: Add the following paragraph:

"6.8 Color Index No. 680 as referred to in the Society of Dyers and Colorists, Color Index, First Edition, January 1924."

Custodian:
Army—Ordnance Department.

Other interest:
Navy—OS.
