NOTICE. When Government drawings, specifications, or other data are used for any purpose other than in connection with a definitely related Government procurement operation, the United States Government thereby incurs no responsibility nor any obligation whatsoever; and the fact that the Government may have formulated, furnished, or in any way supplied the said drawings, specifications, or other data is not to be regarded by implication or otherwise as in any manner licensing the holder or any other person or corporation, or conveying any rights or permission to manufacture, use, or sell any patented invention that may in any way be related thereto.

NOTE: This drawing was approved by joint action of the ~~Army~~ Air Force and Navy Departments as the ~~Army~~ Air Force-Navy standard for this product. This drawing supersedes all dependent standard drawings for the same product and shall become effective for the procurement of aeronautical supplies or for use in new design not later than six months after the latest date of approval shown. It may be put into effect however at an earlier date after promulgation.
