COMMERCIAL ITEM DESCRIPTION

BRACE, KNEE DRESSING

The General Services Administration has authorized the use of this commercial item description.

This commercial item description covers an adult, universal size knee dressing brace with adjustable straps and hook-and-pile closures.

Salient characteristics:

The knee dressing brace shall have an overall length of approximately 19 inches (48 cm), and shall be capable of being adjusted for universal sizing for an adult knee.

The brace shall be sized to fit thigh sizes from 10 inches (25 cm) through 28 inches (71 cm) and calf sizes from 10 inches (25 cm) through 20 inches (51 cm).

The brace shall be fabricated of a machine washable approximately 3/8 inch (0.9 cm) thick foam securely attached to pressure sensitive pile material.

The brace shall have five or six, 2 inch (5 cm) wide, webbing type straps with hooks on the back to enable positioning of the straps any place on the dressing medially or laterally.

Each strap shall be sewn to the brace at one end and attached by a slide buckle to a similar piece of 2 inch (5 cm) wide webbing with hooks on the back.

The buckles shall be fabricated of a suitable corrosion - resisting steel, properly hardened and passivated.

The brace shall be easily cinched down for proper immobilization of the knee and easily removed from the knee after use.

The foam and pressure sensitive pile material shall be free from cuts and other defects.

Workmanship. The knee dressing brace shall be free from defects which detract from its appearance or impair its serviceability.

AMSC N/A FSC 6515

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Unit. Each (EA). One knee dressing brace, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

NOTE: The following National Stock Number is covered by this document:

6515-01-153-5029

Ordering data. Intermediate exterior package quantities, labeling, and marking must be specified in the contract and/or order.
