L-C-770B
INT. AMENDMENT-1 (GSA-FSS)
September 26, 1975

INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

CUPS, PLASTIC; LIDS, PLASTIC DISPOSABLE CUP

This interim amendment was developed by the General Services Administration, Federal Supply Service, Washington, DC 20406, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception of Federal Specification L-C-770B, dated October 11, 1974.

PAGE 3

Table I, under sidewall thickness, delete "0.008" and substitute "0.006".

PAGE 5

Paragraph 4.3.2. Add new sentence "The sidewall thickness shall be measured 1 inch from the bottom."
