INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

HOLDER, NAMEPLATE, DESK, PLASTIC

This interim amendment was developed by the General Services Administration, Federal Supply Service, Standardization Division, Washington, DC 20406, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to Federal Specification L-H-580A, Holder, Nameplate, Desk, Plastic, dated April 3, 1973.

PAGE 2

Paragraph 3.3, delete the entire sentence and substitute "The color of the nameplate holder shall be as specified in the Solicitation of Offers."

GSA DC 73-13247
