COMMERCIAL ITEM DESCRIPTION

SOYBEAN-CASEIN DIGEST AGAR MEDIUM, DEHYDRATED

The General Services Administration has authorized the use of this Commercial Item Description in preference to Military Specification MIL-S-36751.

This Commercial Item Description covers Soybean-Casein Digest Agar Medium, Dehydrated, for use as a general purpose medium.

Salient Characteristics:

Shall be Soybean-Casein Digest Agar Medium, Dehydrated.

Shall be a stable dehydrated powder, which when prepared in accordance with the manufacturer's labeled directions, using purified water, shall contain in each 1000 ml of prepared medium the following ingredients:

Pancreatic Digest of Casein	15.0 Grams
Papaic Digest of Soybean Meal	5.0 Grams
Sodium Chloride	5.0 Grams
Agar	15.0 Grams

All ingredients used in the manufacture of the medium shall be the highest grade suitable for bacteriological use.

The medium shall contain not less than 90.0 percent and not more than 120.0 percent of the specified amount of each above ingredient for each 1000 ml of prepared medium when assayed by a suitable, accurate and reproducible method. The medium may be adjusted or supplemented as required to meet performance criteria and to account for variations in raw materials.

One pound of dehydrated medium shall yield not less than 11.3 liters of prepared medium. Five hundred (500) grams of dehydrated medium shall yield not less than 12.5 liters of prepared medium. The pH of the prepared medium, after sterilization in an autoclave at 121°C for 15 minutes and cooled at 25°C, shall be 7.30 $\pm$ 0.2 when determined potentiometrically using USP procedures.

AMSC/NA FSC 6550

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Workmanship. Medium shall be free defects which detract from its appearance or impair its serviceability.

Unit. Bottle (BT). One bottle containing either 1 pound (453.6 grams) or 500 grams, as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U.S. Food and Drug Administration to be under its jurdisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580, as amended, and as implemented by Federal Acquisition Regulation Subpart 23.4 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

INSTRUCTIONS In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation was too rigid, restrictive, loose, ambiguous or was incompatible and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document(s) or to amend contractual requirements.
