This amendment forms a part of Military Specification MIL-C-46988C(AR), dated 5 September 1984, and is approved for use within the US Army Armament, Munitions and Chemical Command and is available for use by all Departments and Agencies of the Department of Defense.

PAGE 8

4.4.1b: Change "Projectile metal parts of not more than two consecutive lots of one interfix from one manufacturer" to "Projectile metal parts of not more than three consecutive lots of one interfix from one manufacturer".

PAGE 19

* 4.4.2.11: Add Minor Defect "202 Direction of grain in outer ply of plywood face boards not vertical to base 0.65% 3.2 Visual".

"The margins of this amendment are marked with an asterisk or vertical lines to indicate where changes (additions, modifications, corrections, deletions) from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment."
