MILITARY SPECIFICATION

TIE DOWN, CARGO, AIRCRAFT, NYLON WEB NET

This amendment forms a part of Military Specification MIL-T-26780C dated 3 Dec 1982 and is approved for use by all Departments and Agencies of the Department of Defense.

PAGE 12

Add: "6.6 Certain provisions of this specification are the subject of international standardization agreement ASCC Air Std 44/3C. When amendment, revision, or cancellation of this specification is proposed which will modify the international agreement concerned, the preparing activity will take appropriate action through international standardization channels including departmental standardization offices to change the agreement or make other appropriate accommodations."
