Check the source to verify that this is the current version before use.

DIMENSIONS:

HEIGHT: 3/4 inch
WIDTH: 3/4 inch
THICKNESS (at edge): 0.064 ± 0.005 inch

NOTES:

1. Enameled/epoxied areas shall be as follows (the colors shall conform to TIOH Hard Enamel Color Chip numbers listed below):

COLOR AREA	CHIP NO
Blue - frame surrounding Marine Corps device	20
Red - uppermost stripe	1
White - stripe between red stripe and top of blue frame; square-shaped background behind Marine Corps device	28

2. The words "SEMPER," "FIDELIS," and "U.S. MARINES" shall appear as raised gold letters within the blue frame. The raised gold number representing years of service shall be added to the working die in the style and location indicated.

3. Attaching device shall be prong with pick and flat ball clutch. The prong shall be centered on the reverse side and fused or soldered to the lapel button.

4. Presentation case for the lapel button shall be a hinged red velour box with rounded corners measuring approximately 1-3/4 inches wide by 2-1/8 inches deep by 1-1/8 inches high. The interior of the box shall have a matching red velour base pad with a white satin top liner. The presentation case shall be provided with a 2-piece outer packer. Unless otherwise stated in the contract or purchase order, the color red shall be a good match to Marine Corps Scarlet, cable number HBD 67154, from the Department of Defense Standard Shades for Heraldic Yarns for Embroidery and Ribbons, 1993 Edition. (The yarn book is available from Ira Green, Inc., 177 Georgia Avenue, Providence, Rhode Island 02905, or the contracting office may supply a sample of the yarn or an appropriate color swatch.) As an alternate, the contracting office may require matching to Pantone Matching System (PMS) chip number 186U. (Contact information for Pantone is as follows: Pantone, Inc., 590 Commerce Boulevard, Carlstadt, NJ 07072-3098, telephone 201-935-5500, www.pantone.com.)

5. The use of any type of plastic packaging material is prohibited.

6. The margin of this specification sheet is marked with a vertical line to indicate where a change from the previous issue was made.
