*3.6.5.2, line 3: Delete "11-1966(R-1971)" and substitute "11-1971(R1976)."

PAGE 33

*6.5 Changes From Previous Issue. Delete in its entirety and substitute: "The margins of this specification are marked with asterisks to indicate where changes from the previous issue were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment."

* "Certain provisions of this specification are the subject of international standardization agreement ASCC 12/12C, dated 6 March 1984. When amendment, revision or cancellation of this specification is proposed which will modify the international agreement concerned, the preparing activity will take appropriate actions through international standardization channels including departmental standardization offices to change the agreement or make other appropriate accommodations."
