6.2.1: Add: "(j) First article inspection, if required (see 3.1)."

PAGE 15

6.3: Delete and substitute:

"6.3 First article. When first article inspection is required, the contracting officer should provide specific guidance to offerors whether the item should be a first article sample and the number of items to be tested as specified in 4.3. The contracting officer should also include specific instructions in acquisition documents regarding arrangements for examinations, approval of first article test results, and disposition of first articles. Invitations for bids should provide that the Government reserves the right to waive the requirement for samples for first article inspection to those bidders offering a product which has been previously acquired or tested by the Government, and that bidders offering such products, who wish to rely on such production or test, must furnish evidence with the bid that prior Government approval is presently appropriate for the pending contract. Bidders should not submit alternate bids unless specifically requested to do so in the solicitation."

6.3.1: Delete.
