6.3 Delete and substitute:

6.3 Qualification. With respect to products requiring qualification, awards will be made only for products which are at the time set for opening bids, qualified for inclusion in applicable Qualified Products List (QPL) No. 25038 whether or not such products have actually been so listed by that date. The attention of the contractors is called to this requirement, and manufacturers are urged to arrange to have the products that they propose to offer to the Federal government tested for qualification in order that they may be eligible to be awarded contracts or orders for the products covered by this specification. The activity responsible for the qualified products list is the Defense Industrial Supply Center, Code ECA, 700 Robbins Avenue Philadelphia, PA 19111-5096, however information pertaining to qualification of product may be obtained from the Hughes Warfare Center, East 21st Street, Code CNE550, Indianapolis, IN 46219-2058.
