DATA ITEM DESCRIPTION

Title: REVISIONS TO EXISTING GOVERNMENT DOCUMENTS

Number: DI-ADMN-80925A
AMSC Number: 9795
DTIC Applicable: No
Preparing Activity: MI
Applicable Forms: N/A

Approval Date: 20170414
Limitation: N/A
GIDEP Applicable: No
Project Number: ADMN-2017-002

Use/relationship: This Data Item Description (DID) provides revisions to existing Government documents. The revisions provide (updated) content data and are formatted in the same format as the original Government document.

a. This DID contains the format, content, and intended use information for the data deliverable resulting from the work task described in the solicitation.

b. This DID should be applied when an existing Government document requires updating using the content and format requirements as delineated in the existing Government document.

c. This DID supersedes DI-ADMN-80925.

Requirements:

1. Reference documents. None.

2. Format. The format requirements of the Revisions to Existing Government Documents shall be the same format requirements as delineated in the basic Government document be revised.

3. Content.

3.1. The content requirements of the Revisions to Existing Government Documents shall be the same content requirements as delineated in the basic Government document being revised.

3.2. This DID should not be applied when the updating of an existing Government document requires a new format or additional content requirements.

3.3. The solicitation and contract must specifically identify (e.g., title, number, revision level, date, etc.) the existing Government document which is to be updated.

3.4. This DID may be applied in any solicitation or contract and during any acquisition phase.

End of DI-ADMN-80925A.
