MIL-T-13285B(MU)
AMENDMENT 1
30 March 1970

MILITARY SPECIFICATION

TRIPODS: M15 AND M17

This amendment forms a part of Military Specification MIL-T-13285B(MU), dated 24 October 1963.

Paragraph 3.5.1.3: Delete and substitute.

"3.5.1.3 Leg Stability.- With the tripod resting on a smooth hard surface in its operational mode, and with each leg displaced 45 ± 2° from the vertical, there shall be no further displacement of the legs when a ten pound weight is supported in the cradle".

Paragraph 4.2.2, TABLE I, Characteristic 103: Delete "Leg support slippage" and substitute "Leg stability".

Paragraph 4.5.3.3, Heading: Delete "Leg support (M15)" and substitute "Leg stability(M15)".
