COMMERCIAL ITEM DESCRIPTION

BELT, SEAT, PASSENGER TYPE, AUTOMOTIVE, COMMERCIAL VEHICLES

The General Services Administration has authorized the use of this Commercial Item Description (CID) for all federal agencies.

1. SCOPE. This CID covers requirements for automotive passenger type seat belts, hereinafter called "seat belts". The seat belts are intended for use in automotive commercial vehicles.

2. CLASSIFICATION. Seat belts are of the following types and lengths:

Type I - Bolt-on.
Length 1 - 78 inches (in.)
Length 2 - 58 in.

Type II - Quick disconnect.
Length 3 - 76 in.
Length 4 - 56 in.

3. SALIENT CHARACTERISTICS.

3.1 Materials. Materials shall be in accordance with the manufacturer's material specifications for seat belts. The use of recovered material made in compliance with regulatory requirements is acceptable providing that all requirements of this CID are met (see 4.1).

Beneficial comments, recommendations, additions, deletions, clarifications, etc. and any other data which may improve this document should be sent by letter to: U.S. Army Tank-automotive and Armaments Command, ATTN: AMSTA-TR-E/BLUE, Warren, MI 48397-5000.

AMSC N/A FSC 2540

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Check the source to verify that this is the current version before use.

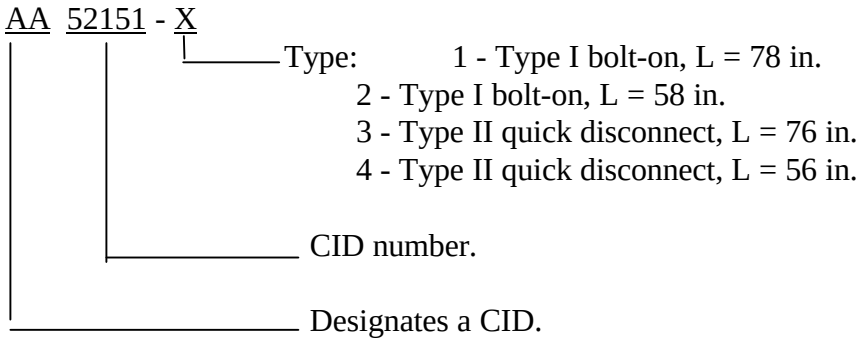
5.2 Contractor certification. The contractor shall certify and maintain substantiating evidence that the product offered meets the salient characteristics of this CID and that the product conforms to the producer's own drawings, specifications, workmanship standards, and quality assurance practices. Items with known defects shall not be submitted for Government acceptance. The Government reserves the right to require proof of such conformance prior to the first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

6. PACKAGING. Preservation, packing, and marking shall be as specified in the contract or order (see 7.3).

7. NOTES.

(This section contains information of a general or explanatory nature that may be helpful, but is not mandatory.)

7.1 Part Identification Number (PIN). The PINs to be used for seat belts acquired to this CID are created as follows (see 7.3):



7.2 Addresses for obtaining copies of referenced documents.

7.2.1 Government publications. The Code of Federal Regulations (CFR) may be obtained from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402.

7.3 Ordering data. Acquisition documents must specify the following:

a. Title, number, and date of this CID.
b. Issue of the DoDISS to be cited in the solicitation, and if required, the specified issue of individual documents referenced.
c. PIN and quantity required.
d. Packaging requirements.
