COMMERCIAL ITEM DESCRIPTION
PLUG, MACHINE THREAD, MAGNETIC: DRAIN

The U.S. Department of Defense has the use of this Commercial Item Description in preference to Military Standard MS35844

SALIENT CHARACTERISTICS:

Plugs shall conform to SAE J532. For magnet application, the following requirements should apply:

1. The magnet material shall be permanent, ALNIC05, or ceramic series of MMPA-09100.

2. Magnet shall lift a minimum of 6 oz soft steel weight after inserted in plug.

3. Magnet shall be firmly retained in plug at temperatures up to 500° F.

4. Magnet maximum diameter shall be at least 0.100 inch smaller than the pitch diameter of the thread.

Beneficial comments, recommendations, additions, deletions, clarifications, etc. and any other data which may improve this document should be sent by letter to: Commander, U.S. Army Tank-Automotive Command, ATTN: AMSTA-GDS, Warren, MI 48397-5000

AMSC N/A FSC 5365

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

Gaskets shall be furnished as specified.

CERTIFICATION. The contractor shall certify that the product offered meets the salient characteristics of this description and that the product conforms to the producer's own drawings, specifications, standards and quality assurance practices and is the same product offered for sale in the commercial market place. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter, as may be otherwise provided for under the provisions of this contract.

REGULATORY MATERIALS. The offerer/contractor shall utilize recovered materials to the maximum extent practicable.

PRESERVATION, PACKAGING, PACKING, LABELING AND MARKING. Preservation, packaging, packing, labeling and marking shall be as specified in the contract or order.

NOTES. SAE J532 is available from the Society of Automotive Engineering, Inc., 400 Commonwealth Drive, Warrendale, PA 15096

MMPA-0100 is available from the Standardization Documents Order Department, Building 40, 700 Robbins Avenue, Philadelphia, PA 19111-5094
