DOCUMENT 00103

TABLE OF CONTENTS
06/96

NOTE: This document \@lists the Table of Contents for the entire project@\. It lists the document for bidding requirements, contract forms and conditions of the contract, and locates the specifications. Its use is optional.

NOTE: This revision "B" to NFGS-00103 amends the issue dated 31 March 1996 to revising text as indicated by change tokens.

NOTE: The first graphics is a blank master copy which may be used as a paper copy master or as an electronic template to complete the cover sheet for the project. A computer program distributed on the Construction Criteria Base with the NAVFAC Guide Specifications can be used to generate the cover sheet, using an HP LaserJet printer. The second graphics explains what is entered by the program, or by hand, if the program is not available. The third graphics illustrates a completed cover sheet. Be sure specification cover sheet, drawings, and this title page are coordinated regarding project title, number and date.

This document contains inch-pound graphics only. Instructions to print graphics may be copied, viewed, or printed through:

(SISGML): Select "FORMS/DOCUMENTS" from JOBS or MASTERS main menu - press "ENTER" or click on "Agency Document Files"

On Master: Stroll down arrow and select "Navy" for Master. On Document: Stroll down arrow and select "Graphic" for Document.

(SI FOR WINDOWS) (print option only):
