FEDERAL STANDARD

DIAZOTYPE PAPER SHEET SIZES

Authority. This standard is issued pursuant to the Federal Property and Administrative Services Act of 1949, as amended, and its application to the purchase of commodities referred to herein is mandatory on all Federal agencies.

S1. Purpose and scope. This standard establishes seventeen sheet sizes of diazo paper for the use of all Federal agencies to achieve the optimum degree of standardization.

S2. Application. Purchases from commercial sources under Federal Specification UU-P-221, of the issues in effect on date of invitation for bids, shall be limited to items which have characteristics conforming to this standard. Existing Government stocks of items with other characteristics shall continue to be utilized until exhausted. In those cases where this Federal Standard eliminates supply items and the items so eliminated are under contract, if the contract cannot be negotiated or amended to conform to the standard item, the Federal Standard becomes mandatory at the contract expiration date.

S3. Dimensions. Diazotype paper purchased for use by Federal agencies shall be limited to the following sizes:

Diazotype paper, sheet sizes, inches	
8 by 10-1/2	21 by 30
8-1/2 by 11	22 by 32
8-1/2 by 14	22 by 34
9 by 12	23 by 25
11 by 17	24 by 30
12 by 18	24 by 36
17 by 22	28 by 40
18 by 24	30 by 42
20 by 28	

S4. Changes. When a Federal agency considers that this standard does not provide for its essential needs, written request for changing or adding to the standard, supported by adequate justification, shall be sent to the Administration. This justification shall explain wherein the standard does not provide for essential needs. The request shall be sent in duplicate to the General Services Administration, Federal Supply Service, Standardization Division, Washington, D. C. 20405. The Administration will determine the appropriate action to be taken and will notify the agency.

S5. Conflict with referenced specifications. Where the requirements stated in this standard conflict with any requirement in a referenced specification, the requirements of the standard shall apply. Nature of conflict between the standard and the referenced specification shall be submitted in duplicate to the General Services Administration, Federal Supply Service, Standardization Division, Washington, D. C. 20405.
