3. REQUIREMENTS

3.1 Federal Food, Drug, and Cosmetic Act. All deliveries shall comply in every respect to the provisions of the Federal Food, Drug, and Cosmetic Act and General Regulations for its Enforcement.

3.2 Description of grades. Unless otherwise specified, the interpretation of requirements (descriptive terms) shall be in accordance with the U. S. Standards for Potatoes, in effect on the date of invitation for bids.

4. QUALITY ASSURANCE PROVISIONS

4.1 Sampling. Samples of potatoes offered under this specification may be selected by the Government inspector, examined, and tested at any time to determine if they are in accordance with the requirements of this specification.

4.2 Inspection.

4.2.1 *General.* Inspection shall be made by the procuring agency or a duly authorized representative, at the time and place designated by the procuring agency.

It may be made at the packing house, both during and after packing, at any suitable point in transit and after delivery to the point of destination. If inspection is made during the time of packing, the passing as satisfactory of any detail of packing or materials shall not relieve the contractor of responsibility for faulty workmanship or materials which may be discovered at any time prior to final acceptance.

4.2.2 *Final inspection.* Unless otherwise specified, final inspection shall be made after delivery to the point of destination (see 6.3 and 6.4).

4.2.3 *Responsibility for inspection.* The supplier is responsible for meeting all the provisions of the specification prior to submission of supplies to the Government for acceptance. Unless otherwise specified in the contract or order, the supplier is required to furnish an official inspection certificate issued by the U. S. Department of Agriculture certifying that the grade of the product supplied is as required by the contract or order.

4.2.3.1 Inspection records of the examinations and tests shall be complete and made available to the Government as specified in the contract or order. The Government reserves the right to perform any of the inspections set forth in the specification where such inspections are deemed necessary to assure that supplies and services conform to prescribed requirements.

4.2.4 *Examination for packing, labeling, and marking.* Examination for packing, labeling, and marking shall be in accordance with the examination criteria contained in PPP-F-685, as applicable.

4.3 Tests.

4.3.1 *Chemical analyses.* Unless otherwise specified, chemical analyses, if required (see 6.1) by the purchaser, shall be made in accordance with the Official Methods of Analysis of the Association of Official Analytical Chemists in effect on the date of invitation for bids, or in accordance with methods that give equivalent results.

5. PREPARATION FOR DELIVERY

The definitions and applications of the levels of packaging and packing shall be in accordance with Fed. Std. No. 102.
