PAGE 5

Add the following:

"3.10.1 Material Safety Data Sheet (MSDS). The contracting activity shall be provided a MSDS prior to contract award. The MSDS shall be prepared and submitted in accordance with FED-STD-313 and 29 CFR 1910.1200. In the event of a conflict, 29 CFR 1910.1200 shall take precedence. The MSDS shall be included with each shipment of Type II material covered by this specification."

PAGE 23

6.2; Add the following:

"1. Addresses for submission of MSDSs (for Type II only) (see 6.9)"

PAGE 25

Add the following:

"6.9 Material Safety Data Sheet (MSDS). Contracting officers will identify those activities requiring copies of completed MSDSs prepared in accordance with FED-STD-313 and 29 CFR 1910.1200. The pertinent Government mailing addresses for submission of data sheets are listed in Appendix B of FED-STD-313.

6.10 Carcinogen. A carcinogen is defined as a chemical appearing on one or more of the following sources: Occupational Safety and Health Administration regulated carcinogens list, National Toxicology Program list, or the International Agency for Research on Cancer lists 1, 2A or 2B."

Preparing Activity:
Navy - AS

(Project 8135-N644)
