Check the source to verify that this is the current version before use.

NOTES:

1. The term (REF) refers to the measurements taken from the obverse Government furnished hub or die.

2. Obverse everything on this lapel is the same as the medallion except the lined background. The artist wants them incised with the most inner part of the lines to be deeper than the outer most of the lines.

3. This item is not authorized for commercial sale, and may be produced only under Government contract and at the request of the Defense Logistics Agency.
