3.5.1.1 (cont'd)

Lines 3 thru 23 (from top of page): Delete and substitute:

"a. Do not use if insect repellent, oil, or grease is on skin.
b. Do not apply more than one bottle at any one time.
c. Do not use more than one bottle in seven full days.
d. Do not use this powder for at least seven full days after you have dusted with a hand or machine duster.
e. Avoid prolonged breathing of dust.
f. Avoid contact with eyes.
g. Wash hands thoroughly after handling.

SEE LEAFLET FOR ADDITIONAL PRECAUTIONS AND FIRST AID ADVICE

DIRECTIONS FOR USE

FOR USE AGAINST BODY LICE ONLY

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Remove clothing. Dust entire inner surfaces of undergarments, especially seams. Also, dust inner seams of trousers and shirt. Rub treated areas lightly by hand to spread powder evenly. Repeat every week and following each change of clothing until infestation is controlled. Complete treatment will require about 1 ounce or one-half of this container.

STORAGE AND DISPOSAL
STORE IN ORIGINAL CONTAINER AND PLACE IN LOCKED STORAGE AREA

DO NOT REUSE CONTAINER. RINSE THOROUGHLY AND THEN SECURELY WRAP ORIGINAL CONTAINER IN SEVERAL LAYERS OF NEWSPAPER AND DISCARD IN TRASH.

FOR MILITARY USE ONLY
FOR USE IN EMERGENCIES ONLY, WHEN AUTHORIZED BY MEDICAL AUTHORITIES

HAZARDS TO HUMANS

For external use only. Harmful if swallowed. Keep away from food and mess gear. Respirator and eye protection should be used by personnel conducting unit or mass delousing using manual or powered delousing equipment. Use only in open or well-ventilated areas.

The following additional precautions should be observed:

a. Do not dust individuals who have insect repellents, oil, or grease on the skin.
b. When dusting by manual duster or powered delouser, do not apply more than 2 ounces to each person.
c. Do not redust for seven full days after a previous dusting.
d. Avoid prolonged breathing of dust.
e. Avoid contact with eyes.
f. Individuals applying dust must wash thoroughly after handling.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Keep out of any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes and containers. Apply this product only as specified on this label.

DIRECTIONS FOR USE
FOR USE AGAINST BODY LICE ONLY
IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING

Personal application:

Remove clothing, turn inside out, and dust lightly over entire inner surface, rubbing powder well into all seams. Complete treatment will require about 1 ounce. Repeat at weekly intervals until infestation is controlled.

Unit or mass delousing using manual dusters or powered delousers:

a. To dust persons without removing clothing, dispense no less than 1 ounce and no more than 2 ounces per individual being treated.
b. Require personnel being treated to close eyes and turn head away from body area being treated.
c. Dust inside of hat and replace on head.

PAGES 6 and 7 (cont'd)

d. Extend arms at side, shoulder height. Insert delivery tube slowly up each shirt sleeve between skin and inner garment. Dust into armpit and about shoulder. Also dust between individual layers of clothing.
e. Insert tube at back of shirt neck, dusting back and neckband.
f. Insert tube at front of shirt neck and dust toward armpits, both sides of body, chest, and abdomen.
g. Loosen trousers, insert tube down front of trousers between skin and innermost garments, and treat crotch area. Also treat underwear, especially waist and side seams.
h. Insert tube down rear of trousers next to skin and powder buttocks and rear of crotch.
i. Dust in socks.
j. Immediately move treated individuals from treatment area.
k. Individuals should not bathe or wash clothing for at least 24 hours.

PRACTICAL TREATMENT

If swallowed - Call a physician or Poison Control Center immediately. Drink one or two glasses of water and induce vomiting by touching the back of throat with a finger. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person.

If inhaled - Remove victim to fresh air. Apply artificial respiration if indicated.

If in eyes - Flush eyes with plenty of water. Call a physician if irritation persists.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL
OPEN DUMPING IS PROHIBITED

STORE IN A LOCKED AREA AND IN ORIGINAL CONTAINER ONLY

IF CONTAINER IS DAMAGED, STOP ANY LEAKS BY REPOSITIONING CONTAINER OR OTHERWISE REPAIRING THE LEAKS

FOR DISPOSAL, TRIPLE RINSE (OR EQUIVALENT), THEN PUNCTURE AND DISPOSE OF IN A SANITARY LANDFILL, OR BY OTHER PROCEDURES APPROVED BY STATE AND LOCAL AUTHORITIES.

WASTES RESULTING FROM THE USE OF THIS PRODUCT MAY BE DISPOSED OF ON SITE OR AT AN APPROVED WASTE DISPOSAL FACILITY. PESTICIDE WASTES ARE TOXIC. IMPROPER DISPOSAL OF EXCESS PESTICIDE, SPRAY MIXTURE, OR RINSATE IS A VIOLATION OF FEDERAL LAW. IF THESE WASTES CANNOT BE DISPOSED OF BY USE ACCORDING TO LABEL
