MILITARY SPECIFICATION

PERISCOPE, BATTERY COMMAND: M65

This amendment forms a part of Military Specification MIL-P-45602B(MU), dated 14 April 1969.

Paragraph 4.5.2.3.1(c) Target Collimators, First sentence: Delete "of at least 2.0 inches" and substitute "of at least 1.5 inches."

Paragraph 4.6.7.11 Reticle focus: Second sentence, delete in its entirety and substitute the following:

"The periscope reticle shall be in best focus within the limit specified in 3.9.12, as measured on the diopter knob scale."
