MIL-C-43368E(GL)
AMENDMENT-2
6 February 1987
SUPERSEDING
MIL-C-43368E(GL)
AMENDMENT 1
1 December 1986

MILITARY SPECIFICATION

COATS, MEN'S, TROPICAL AND SERGE, POLYESTER/WOOL, ARMY GREEN 344

This amendment forms a part of Military Specification MIL-C-43368E(GL), dated 28 June 1985, and is approved for use within the Natick Research, Development, and Engineering Center, Department of the Army and is available for use by all Departments and Agencies of the Department of Defense.

PAGE 2

2.1, under "SPECIFICATIONS FEDERAL": Add

"V-T-276 - Thread, Cotton"

PAGE 4

Add the following new paragraph:

"2.3 Order of precedence. In the event of a conflict between the text of this document and the references cited herein, the text of this document shall take precedence. Nothing in this document, however, shall supersede applicable laws and regulations unless a specific exemption has been obtained."

PAGE 8

3.2.15.3, under "Use" column, line 5: Delete "stitching" and substitute "topstitching".

3.2.15.6, line 2: Delete "and nylon" and substitute "nylon and mercerized cotton".

PAGE 9

Add the following new paragraphs:

"3.5.15.6.2 Color thread topstitching. All thread used for outside trim (topstitching) either silk, nylon or mercerized cotton, as indicated in 3.5.3 and table I shall be separately evaluated for Army Green E, C.A. 66034 shade matching.

DISTRIBUTION STATEMENT A. Approved for public release; distribution is unlimited.

44 to 48	5-3/4	2-13/16	5-5/8	6-3/16	8-1/2	3-3/4	6-1/4-6-3/4

Tolerance for above measurements ± 1/8 inch. Reference figure 6 for positions of A-B-C-D-E-F"

PAGE 67

Add the following new paragraph:

"4.1.1 Responsibility for compliance. All items must meet all requirements of sections 3 and 5. The inspection set forth in this document shall become part of the contractor's overall inspection system or quality program. The absence of any inspection requirements in the document shall not relieve the contractor of the responsibility of assuring that all products or supplies submitted to the Government for acceptance comply with all requirements of the contract. Sampling in quality conformance does not authorize submission of known defective material, either indicated or actual, nor does it commit the Government to acceptance of defective material."

PAGE 68

* 4.2.2: Add the following new subparagraph:

"h. Visual and dimensional examination to determine that the breast patch pocket conforms to the breast pocket shaper, and the breast pocket flaps and the lower pocket flaps conform to their respective pocket flap shapers (sew in liners included). 2/"

* Add the following after footnote 1/:

"2/ This examination shall be performed prior to stitching the patch and flaps to the coat front."

PAGES 69 and 70

4.2.3: Delete in its entirety.

PAGE 76

Add the following new paragraph:

"6.7 Subject term (key word) listing.

Coat, men's
Coat, poly/wool
Service uniform, male"

PAGE 82

Add the attached new figure 6.

Changes from previous issue. The margins of this amendment are marked with an asterisk to indicate where changes (additions, modifications, corrections, deletions) from previous issue were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment.
