DEPARTMENT OF DEFENSE

Washington, D.C. 20360

Identification Symbols for Aerospace Fastener Manufacturers.

MIL-STD-1291A

1. This Military Standard is approved for use by all Departments and Agencies of the Department of Defense.

2. Recommend corrections additions, or deletions should be addressed to:

Commander
US Army Aviation Systems Command
ATTN: DRSAV-ELSS
4300 Goodfellow Boulevard
St. Louis, Missouri 63120

Source: https://assist.dla.mil -- Downloaded: 2026-10-23T23:36Z
Check the source to verify that this is the current version before use.

1. SCOPE

1.1 Purpose. This document is a directory of Aerospace Fastener Manufacturers Identification Symbols or Markings which they use to identify their products, their Federal Supply Code for Manufacturers (FSCM) No. and last known adddress and telephone number.

1.2 Application. This document is intended to be used as a reference, when it is necessary to identify a manufacturer from the symbol stamped on a fastener, such as during quality control checks, fastener failures, incident or accident investigations.

2. REFEENCED DOCUMENTS

Not applicable.

3. DEFINITIONS

Not applicable.

4. GENERAL STATEMENTS

4.1 The inclusion of a manufacturer in this directory does not in any way give approval for the manufacture of fasteners for aerospace use.

4.2 This document will be reviewed and updated at regular intervals.

5. DETAILED STATEMENTS

5.1 Any manufacturer, included in this document who requires an amendment to the information it contains on their company, may request addition or deletion from this document.

5.1.1 Any manufacturer not included in this document who desires to be should submit their identification symbol, Federal Supply Code for Manufacturers (FSCM), and last known company address and telephone number to the preparing activity (listed below) for approval. Non-Government Codes (FSCNM) which contain alpha letters are not acceptable. In the future, no duplicate symbol to one already listed for a manufacturer will be accepted.

(Preparing Activity)

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in *submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide* suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE: This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document*(s)* or to amend contractual requirements.
