COMMERCIAL ITEM DESCRIPTION

RETAINER, CAPACITOR

The General Services Administration has authorized the use of this commercial item description (CID).

Abstract. This CID covers the general requirements for wraparound retainers for capacitors.

Part or Identifying Number (PIN). The PIN for the CID shall be as shown in the following example:

Salient characteristics.

Design, construction, and physical dimensions. The design, construction, and physical dimensions shall be as specified herein.

Material. The material shall be .035 steel (one-piece construction).

Finish. Finish shall be zinc plated (.00015 minimum with clear chromate).

Workmanship. Retainers shall be free of burrs and sharp edges.

Retainer dimensions. The retainer dimensions shall be in accordance with figure 1.

Design and construction. Retainers supplied to this CID shall be as specified herein (see figure 1).

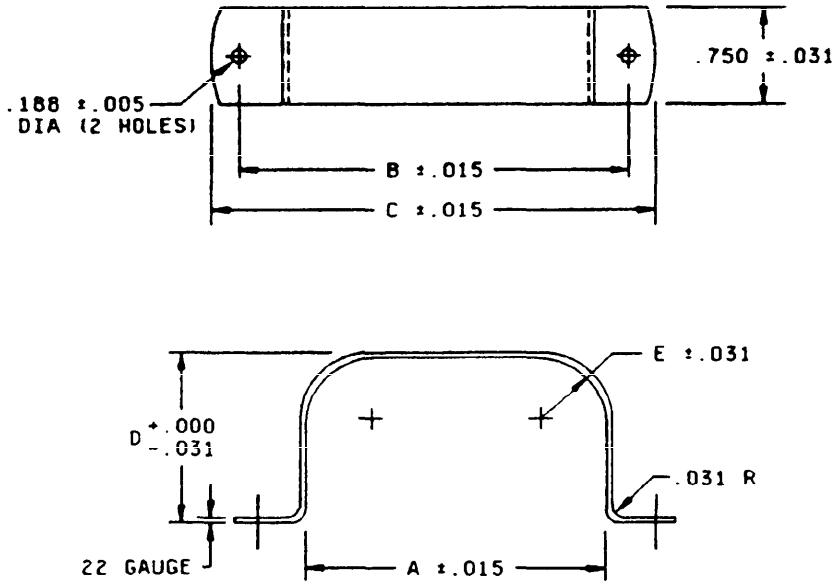

Marking. Retainers supplied to this CID shall be identified and marked with paper labels with the manufacturer's standard commercial PIN.

Regulatory requirements. Not applicable.

Quality assurance provisions.

Responsibility for inspection. Unless otherwise specified in the contract or purchase order, the contractor is responsible for the performance of all inspection, examination, and test requirements specified herein. Except as otherwise specified in the contract or purchase order, the contractor may use his own or any other facilities suitable for the inspection requirements specified herein, unless disapproved by the Government. The Government reserves the right to perform any of the inspections, examinations, or tests set forth in this description where such inspections, examinations, and tests are deemed necessary to assure supplies and services conform to prescribed requirements.

Contractor certification statement. The contractor shall certify and maintain objective quality evidence that the product offered meets the requirements of this CID, and that the product conforms to the producer's own drawings, specifications, standards, quality assurances practices, and is the same as the product provided as a bid sample. The Government reserves the right to require proof of such conformance prior to the first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Certificate of compliance. A certificate of compliance shall accompany all retainers supplied to this CID.

Packaging.

Preservation, packaging, packing, labeling, and marking. Preservation, packaging, labeling, and marking shall be as specified in the contract or purchase order.

Notes. This section contains relevant information which is useful to buyers, users, and suppliers in the process of acquiring the item, but is not mandatory.

Ordering data. Acquisition documents should specify the following:

a. CID document number and revision and CID PIN.

b. Quality assurance provisions.

c. Packaging requirements.

Comments. Comments on this CID should be directed to Defense Electronics Supply Center, 1507 Wilmington Pike, ATTN: DESC-EMM, Dayton, OH 45444-5270, or telephone (513) 296-6003.
