REQUIREMENTS:

1. Dimensions and configuration: See figures.
2. Material for the coupling shall be nickel-aluminum-bronze in accordance with accordance with MIL-B-24059.
3. Material for the polarizing pin and positioning pin shall be monel, class A of QQ-N-281.
4. Cable length shall be 60 feet or as required.
5. Cable shall be type ECM in accordance with MIL-C-915/54.
6. The plug shell shall be machined in the unaged condition and heat-treated to a hardness within the range of 250 to 320 in the ball-bearing groove area only. Material for the shell shall be K-monel, class A of QQ-N-286.
7. Each coupling shall be examined for cracks by the liquid penetrant method of MIL-STD-271. Finding of cracks shall be cause for rejection.
8. Sealing wax shall be in accordance with JJJ-S-151.
9. Hydrostatic pressure test specified in MIL-C-24231 for mated plug and receptacle assembly (first article inspection) and for type I molded plugs (quality conformance inspection) shall be reduced to 1000 lbf/in^2 for a period of 24 hours and 1 hour, respectively.

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE: This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document*(s)* or to amend contractual requirements.
