AMENDMENT 3

PAGE 12

* 4.5.8, Add the following:

"Customers, through the procuring activity, may modify this requirement and base acceptance on firing bursts of 50 shots in a M61 gun."

The margins of this amendment are market with an asterisk or vertical lines to indicate where changes (additions, modifications, corrections, deletions) from the previous amendment were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous amendment.
