Notes:

1. Material: Steel in accordance with procurement specification, MIL-DTL-5683.

2. Dimensions in inches. Unless otherwise specified, tolerances: Dimensions ± .010, Angles ± 3°.

3. Special, for use with 6900 lb. rod with 4600 lb. rating.

4. Remove all burrs and sharp edges.

5. Example of part number: AN665-10L - left hand thread
   AN665-10R - right hand thread

6. Changes from previous issue. The margins of this specification are marked with vertical lines to indicate where changes from the previous issue were made. This was done as a convenience only and the Government assumes no liability whatsoever for any inaccuracies in these notations. Bidders and contractors are cautioned to evaluate the requirements of this document based on the entire content irrespective of the marginal notations and relationship to the last previous issue.
