COMMERCIAL ITEM DESCRIPTION

HIGH ANGLE MOUNTAINEERING KIT (HAMK)

The General Services Administration has authorized the use of this commercial item description for all Federal agencies.

1. SCOPE. This commercial item description covers the requirements for a basic mountaineering kit that supports an Infantry Brigade Combat Team (IBCT) platoon or similarly structured element of forty (40) personnel. The kit will contain items that will assist minimally-trained Soldiers operating in up to Class 4 Terrain in Operational Terrain Level 1 and Operational Terrain Level 2 absent of significant snow and ice.

2. CLASSIFICATION. The High Angle Mountaineering Kit (HAMK) shall be furnished as one kit.

3. SALIENT CHARACTERISTICS. The kit shall be composed of the following items in the following quantities:

Comments, suggestions, or questions on this document should be addressed to: Defense Supply Center Philadelphia, Clothing and Textiles Directorate, Attn: DSCP Standardization Team, 700 Robbins Avenue, Philadelphia PA 19111-5096 or e-mailed to NATI-Mountain@conus.army.mil. Since contact information can change, you may want to verify the currency of the address information using the Acquisition Streamlining and Standardization Information System (ASSIST) online database https://assist.daps.dla.mil/online/.

3.8 Labels/barcoding/instruction slip. If applicable, all labeling, barcoding and instruction slip requirements shall be as specified in the solicitation or contract (see 7.2).

4. REGULATORY REQUIREMENTS. The offeror/contractor is encouraged to use recovered materials to the maximum extent practicable, in accordance with paragraph 23.403 of the Federal Acquisition Regulation (FAR).

4.1 Recycled, recovered, or environmentally preferable materials. Recycled, recovered, or environmentally preferable materials should be used to the maximum extent possible, provided that the material meets or exceeds the operational and maintenance requirements and promotes economically advantageous life cycle costs.

5. PRODUCT CONFORMANCE PROVISIONS.

5.1 Product conformance. The products provided shall meet the salient characteristics of this Commercial Item Description, conform to the producer's own drawings, specifications, standards, and quality assurance practices, and be the same product offered for sale in the commercial marketplace. The Government reserves the right to require proof of such conformance.

5.2 Visual examination. Each kit shall be examined for the following defects as listed in Table II:

TABLE II. End item examination

Examine	Defect Description
Components	Missing components
	Incorrect item, size, type or color

5.3 Acceptance criteria. Acceptance criteria shall be as specified in the contract or purchase order (see 7.2).

6. PACKAGING.

6.1 Preservation, packing and marking. The preservation, packing and marking shall be as specified in the contract or order (see 7.2) and as below.

7. NOTES.

7.1 Sources of Government documents.

7.1.1 Copies of Government documents are available online at https://assist.daps.dla.mil/quicksearch/ or from the Standardization Documents Order Desk, Building 4D, 700 Robbins Avenue, Philadelphia, PA 19111-5094.
