AMENDMENT

INTERIM FEDERAL SPECIFICATION

FISH: CHILLED AND FROZEN

This amendment was developed by the US Army Natick Research & Development Command, Natick, MA 01760, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this amendment as a valid exception to Interim Federal Specification PP-F-00381K(Army-GL), dated April 7, 1977.

PAGE 2

Table I. Under "Common Name" column add new species "Flounder Dabs". Opposite new species entry add new scientific name "Hippoglossoides Platessoides". Delete "Halibut, Greenland" and applicable scientific name.

Delete "Pollock, Pacific" and substitute "Pollock, Atlantic".
Under "Common Name" column below "Rockfishes" add "Sablefish". Opposite this entry under "Scientific Name" column add "Anaplopoma Fimbria".
