PP-S-316F
INTERIM AMENDMENT-1(ARMY-GL)

December 14, 1976

INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

SHRIMP: CHILLED AND FROZEN (RAW AND COOKED)

This interim amendment was developed by the US Army Natick Research and Development Command (GL), Natick, Massachusetts 01760, based on currently available technical information. It is recommended that Federal Agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to Federal Specification PP-S-316F, dated December 30, 1975.

PAGE 11

Table IV. After the defect opposite "Major A 101" add footnote symbol "1/". Below table add:

"2/ Holes, commonly called flutter holes, formed in the overwrap of polyethylene bag during fabrication to permit escape of air while forming around the carton or the product, shall not be considered a defect."

Custodians:

Army - GL
Navy - SA
Air Force - 45

Preparing activity:

Army - GL
