PP-S-51H
INTERIM AMENDMENT-1(Army-GL)

May 28, 1975

INTERIM AMENDMENT

TO

FEDERAL SPECIFICATION

SARDINES, CANNED

This interim amendment was developed by US Army Natick Development Center (GL), Natick, MA 01760, based upon currently available technical information. It is recommended that Federal agencies use it in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized the use of this interim amendment as a valid exception to Federal specification PP-S-51H, dated February 13, 1975.

PAGE 12
