FEDERAL SPECIFICATION

BAG, LINEMAN'S TOOL, ROUND

This Interim Amendment was developed by Standardization Division, Federal Supply Service, General Services Administration, Washington, D. C., 20406, based upon currently available technical information. It is recommended that Federal agencies use this Interim Amendment in procurement and forward recommendations for changes to the preparing activity at the address shown above.

The General Services Administration has authorized Federal agencies to use this Interim Amendment as a valid exception to Federal Specification GGG-B-50a, dated February 8, 1966.

PAGE 1

Paragraph 2.1: Under "Federal Specifications" insert: "CCC-A-700. - Artificial Leather, Cloth, Coated, Vinyl Resin". Under "Federal Standards" delete Fed. Std. No. 102 Preservation, Packaging, and Packing Levels.

PAGE 2

Paragraph 3.1.2: Delete and substitute: 3.1.2 Leather or artificial leather. Unless otherwise specified (see 6.1) the leather shall be full grain in accordance with KK-L-156. When artificial leather is specified (see 6.1), it shall be in accordance with CCC-A-700, class 6, treatment b.

Paragraph 3.3: Delete and substitute: 3.3 Design. The tool bag shall consist of a cloth body with a bottom fabricated from the material specified in 3.1.2, a ring to hold the top open, a rope handle and an inside pocket.

Paragraph 3.4.1: Delete and substitute: 3.4.1 Body The body shall be cloth with covered bottom. The sides of the body shall be made from one piece of cloth with one vertical side seam held together with two rows of stitching. The bottom shall consist of hardboard reinforceing material with cloth securely bonded to the inside face and the material specified in 3.1.2 securely bonded to the outside face. The material specified in 3.1.2 shall extend up the outside of the bag a minimum of 2 inches and be sewed to the sides. The top edge of the side shall be folded over the top ring a minimum of two inches and sewed with two rows of stitching. Two strips of the material specified in 3.1.2, approximately 2 inches wide and 6 inches long, shall be folded over the top edge of the bag and sewed in place on opposite sides for handle reinforcements.

PAGE 4

Paragraph 5: Delete: (For civil agency procurement, the definitions and applications of levels of packaging and packing shall be in accordance with Fed. Std. No. 102).

Paragraph 6.1: Under ordering data, after option (c) add: (d) artificial leather (see 3.1.2)".
