DEPARTMENT OF DEFENSE
JOINT SERVICE SPECIFICATION GUIDE

AIR VEHICLE SUBSYSTEMS

Air Force-11 has revised several JSSG-2009A appendices (A, B, H, and I) and will publish each appendix as an individual specification guide. Following the publication of each specification guide (appendix A, B, H, and I), AF-11 will republish the base document, JSSG-2009A. To prevent confusion, the revised base document will not contain the revised appendices but will reference their replacements (i.e., JSSG-2009-1, JSSG-2009-2, JSSG-2009-8, and JSSG-2009-9). All interested activities will be included in the coordination of the revised appendices.

Please forward all administrative questions and comments to monika.polite@us.af.mil.
