COMMERCIAL ITEM DESCRIPTION

PAPER, COPYING, XEROGRAPHIC PROCESS (Watermark)

The General Services Administration, Office Supplies and Paper Products Commodity Center, New York, N.Y., has authorized the use of this Commercial Item Description.

1. Scope and Classification. This description covers recycled and virgin white copy paper, cut grain long, containing a watermark.
   Type I - Recycled (JCP O-460)
   Type II- Virgin (JCP O-60)

2. Salient Characteristics.

2.1 Type. Recycled paper (Type I) shall meet all requirements of JCP O-460 and shall contain recycled content as specified in Paragraph 3. Virgin paper (Type II) shall meet all requirements of JCP O-60.

2.2 Watermark. The watermark shall be clearly legible and may be achieved by means of a dandy roll or other commercially acceptable means.

2.3 Dimensions. Shall be as specified (See Paragraph 7).

2.4 Brightness. Shall be 85% minimum, per Tappi T 452.

2.5 Bleaching. To obtain an acceptable brightness a chemical bleaching process may be used. When specified,(see Paragraph 7), the bleaching process shall not include the use of chlorine, chlorine dioxide, hypochlorite or other chlorine compounds. Certification of compliance shall be made available upon request by the Government.

FSC 7530

Distribution Statement A:
Approved for public release;
Distribution is unlimited.

Check the source to verify that this is the current version before use.

2.6 Performance. Operating performance shall be checked at atmospheric conditions of 21 deg. Centigrade, +/- 6 deg.Centigrade (70 deg. F, +/- 10 deg. F) and relative humidity of 50% +/- 30%. Cut papers shall be checked on any high speed copier producing at least 85 copies per minute, equipped with a 50 bin sorter. There shall be no more than one paper caused jam per 5000 single sided copies with all copies passing directly from copier into sorter bins, allowing a minimum of 100 copies to accumulate in each sorter bin. In addition, 2000 copies shall be produced with second side copies passing directly from copier into sorter allowing a minimum of 100 copies (sheets) to accumulate in each sorter bin. For this test there shall be no more than one paper caused jam per 2000 copies.

3. Regulatory Requirements. (Applicable to Type I only).The contractor shall certify that the product offered shall meet the requirements of JCP O-460 and shall contain a minimum of 10% postconsumer recovered material included in the overall minimum of 50% waste paper, in accordance with CFR 40 part 250. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

4. Quality Assurance Provisions. Unless otherwise specified in the contract, the contractor is responsible for the performance of all inspection requirements as specified herein. Except as otherwise specified in the contract, the contractor may use his own or any other facilities suitable for the performance of the inspection requirements specified herein, unless disapproved by the Government. The Government reserves the right to perform any of the inspections set forth in this commercial item description where such inspections are deemed necessary to assure that supplies and services conform to prescribed requirements.

Testing, when applicable, shall be in accordance with Part 2, Testing Standards and Definitions, of the Government Paper Specification Standards published by the Joint Committee on Printing. (Note: See individual TAPPI's for specific sampling instructions).

Acceptance criteria shall be as specified in Part 4, Acceptance Criteria, of the Government Paper Specification Standards published by the Joint Committee on Printing.

Sampling for preparation for delivery shall be in accordance with MIL-STD-105, Inspection Level S-2 and AQL 2.5% defective.

5. Applicable Documents. The following documents form a part of this Commercial Item Description to the extent specified herein. Unless otherwise indicated, the issue in effect on the date of invitation for bids or request for proposal shall apply:
