COMMERCIAL ITEM DESCRIPTION

EDGER, HAND, OPHTHALMIC LENS

The General Services Administration has authorized the use of this commercial item description.

This commercial item description covers a machine suitable for hand edging the ophthalmic lenses. The machine shall be completed with motor, drive belt and metal base or wood cabinet.

Salient characteristics:

The edger shall be designed for table top mounting having cast aluminum base. Top of the wheel cover shall have a cooling water reservoir with petcock.

Shall have a 1-1/4 to 1-1/2 inch flat face by 10-inch diameter grinding wheel supported by sealed ball bearing pillow blocks. Grinding wheel shall be made of aluminum oxide with very fine grain (200 to 280 grit). When mounted on the spindle, the out-of-round tolerance shall be limited to ± 0.002 inch.

The wheel shall be V-belt driven, equipped with protective belt-guard. The motor shall be operated on 115 volt, 60 hertz, 1750 RPM nominal, rated not less than 1/4 HP. A toggle switch shall conveniently be located to activate the motor. Electric cord shall be not less than 6 feet long with 3-prong plug conform to ANSI C73.11.

Shall have a hand rest near the grinding wheel for truing stone or work piece.

Shall be provided with a heavy duty metal stand or wood cabinet. When wood cabinet is furnished, supply with a formica top capable to support the edger. Table top shall be not less than 18 inches wide x 22 inches deep x [illegible] inches high.

The unit shall have a name plate with manufacturer's name and power rating.

Workmanship. The hand edger shall be free from defects which detract from its appearance or impair its serviceability.

Unit. Each (EA). One hand edger with stand as specified, constitutes one unit.

Contractor certification. The contractor shall certify that the product offered meets the salient characteristics of this description and conforms to the producers' own drawings, specifications, standards, and quality assurance practices. The Government reserves the right to require proof of such conformance prior to first delivery and thereafter as may be otherwise provided for under the provisions of the contract.

Regulatory requirements.

Federal Food, Drug and Cosmetic Act. If the product covered by this document has been determined by the U. S. Food and Drug Administration to be under its jurisdiction, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of the Federal Food, Drug and Cosmetic Act, as amended, and regulations promulgated thereunder. In addition, the offeror/contractor shall comply, and be responsible for compliance by its subcontractors/suppliers, with the requirements of all other applicable Federal, State, and local statutes, ordinances, and regulations.

Recovered materials. The offeror/contractor is encouraged to use recovered material in accordance with Public Law 94-580 to the maximum extent practical.

Preservation, packaging, packing, labeling, and marking. Unless otherwise specified, preservation, packaging, and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., involving shipment from the supply source to the receiving activity, plus reshipment from receiving activity, and shall conform to applicable carrier's rules and regulations. Intermediate and exterior package quantities and labeling and marking shall be as specified in the contract and/or order.

NOTE: The following National Stock Number is covered by this document:

INSTRUCTIONS: In a continuing effort to make our standardization documents better, the DoD provides this form for use in submitting comments and suggestions for improvements. All users of military standardization documents are invited to provide suggestions. This form may be detached, folded along the lines indicated, taped along the loose edge *(DO NOT STAPLE)*, and mailed. In block 5, be as specific as possible about particular problem areas such as wording which required interpretation, was too rigid, restrictive, loose, ambiguous, or was incompatible, and give proposed wording changes which would alleviate the problems. Enter in block 6 any remarks not related to a specific paragraph of the document. If block 7 is filled out, an acknowledgement will be mailed to you within 30 days to let you know that your comments were received and are being considered.

NOTE This form may not be used to request copies of documents, nor to request waivers, deviations, or clarification of specification requirements on current contracts. Comments submitted on this form do not constitute or imply authorization to waive any portion of the referenced document*(s)* or to amend contractual requirements.
